{gallery}garthpool{/gallery}

Species: Roach, Perch, Carp, Tench, Rudd, Bream

Head up Welshpool Main Street to roundabout and take second exit signposted Guilsfield, continue for approximately 3 miles and pools are on the left hand side of the road. A key is required to access the pools. Keys are supplied with full and concessionary memberships.

Please do not enter surrounding woodland and park only in designated areas. Park within the pools car parks and not the layby. The lane leading from the layby is private property and therefore access on foot or by vehicle is strictly not permitted.

Please keep the gate closed whilst you are fishing and upon leaving the pools

River Severn, Lower Leighton, Welshpool

{gallery}severn{/gallery}

Species: Barbel, Chub, Dace, Pike, Trout, Grayling

At traffic lights in Welshpool take B4381 South for approximately 1 mile to the river bridge. Fishing on the Left bank from road bridge for approximately 3/4 mile to Henfaes Brook.

River Vyrnwy, Great Dyffryd Farm

Species: Barbel, Chub, Pike, Grayling, Dace, Trout

From Welshpool take A438 towards Oswestry. In Llanymynech, turn right onto B4398 for approximately 2 miles, turn right at signpost for Dyffryd and follow the lane to the farm. Park in the lane beyond the gate, fishing is 1/2 mile each side of the lane except for the first small field on either side of the lane.

River Banwy, Llanfair Caereinion

Species: Trout, Grayling, Chub)

Fishing on the right bank downstream from the town bridge for approximately 1/2 mile to the boundary fence.

River Camlad

Species: Trout, Chub, Dace, Eels

Take the B4388, Forden - Montgomery Road to the Stallow road bridge approximately 1 1/2 miles from Forden.

Fishing on the right bank upstream from bridge to signpost: downstream on right bank beyond railway bridge to Gaer road bridge.
